*Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.*

### Position Summary

Under supervision of Chief Bridge Painter, perform painting and associated work on the Bridge and other District facilities as required.

### Essential Responsibilities

- Paints with airless and conventional spray equipment, brushes and rollers
- Facilitates abrasive blasting
- Sprays zinc coatings and various topcoats
- Rigs paint scaffolds
- Responsible for caring and maintenance of paint equipment
- Maintains a consistently high level of safety in work conditions
- Responsible for cleaning and housekeeping in assigned work area
- Knows and follows the safety and health rules and safe working practices applicable to his or her job.
- Establishes and maintains effective working relationships with District employees, customers, vendors and all others contacted during the course of work using principles of excellent customer service.
- Performs additional related duties as assigned
- Regular and reliable attendance and performance is required

### Required Knowledge, Skills and Abilities

#### Knowledge of:

- Occupational health and safety rules and working practices applicable to this position.
- Work methods including rigging, paint application, paint equipment and tools, and abrasive blasting

#### Ability to:

- Carry out work assignments with minimum supervision
- Work effectively and professionally with District employees and all others encountered in the course of work

## Minimum Qualifications

### Education and/or Experience:

- Journey-level status with five years' experience in structural steel painting, including rigging of scaffolds, abrasive blasting and painting with spray equipment.
- Completion of a Painter Apprenticeship program desirable.
- Bridge painting experience preferred.

### Required License:

Must possess and maintain a current, valid California driver's license and satisfactory driving record. No reckless driving and DUI infractions within the last 7 years. No more than 2 moving violations within the last 3 years. Operates District vehicles on a regular basis.

### Physical Requirement:

Work outside in cold and other inclement weather. Work comfortably at considerable heights and on suspended scaffolds. Ability to stand for long periods. Ability to work comfortably while wearing cartridge-type respirator. Requires maintaining physical condition necessary for standing/walking; sitting; lifting/carrying up to 50 pounds; pushing/pulling; climbing/balancing; bending/twisting; and kneeling/crouching.

This position may have a potential for or actual exposure to lead. Pursuant to OSHA regulations, District employees are not exposed to lead at concentrations greater than 10 micrograms per cubic meter ( $\mu\text{g}/\text{m}^3$ ) of air averaged over an 8-hour period.
