

JOB TITLE:	LEAD HOUSE PAINTER	DIVISION:	BRIDGE
REPORTS TO:	PAINT SUPERINTENDENT	EEO CATEGORY:	07 – SKILLED
FLSA:	NON-EXEMPT	SAFETY-SENSITIVE:	YES (PUBLIC-SAFETY)
CLASSIFICATION:	REPRESENTED	LOCATION:	SAN FRANCISCO

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

Position Summary

Under general supervision, performs painting and associated work on the Bridge and other District facilities as required. Performs other related duties as assigned.

Essential Responsibilities

- Supervises staff and projects assigned.
- Paints interiors and exteriors of District buildings, including railings and posts.
- Performs drywall finishing, including joint taping, skip troweling, patchwork, and related prep work.
- Strips and prepares wood and metal for finishing.
- Finishes wood and metal furniture and stains and matches the gloss of existing finishes.
- Applies roadway markings and striping.
- Sandblasts and spray paints fabricated steel items.
- Repairs and maintains spray painting equipment, brushes, and rollers.
- Handles hazardous wastes.
- Removes graffiti from buildings and the Bridge using ladders.
- Responsible for cleaning and housekeeping in assigned work areas.
- Knows and follows the safety and health rules and safe working practices applicable to his or her job.
- Establishes and maintains effective working relationships with District employees, customers, vendors, and all others contacted during the course of work using principles of excellent customer service.
- Performs additional related duties as assigned.
- Regular and reliable attendance and performance are required.

Required Knowledge, Skills and Abilities

Knowledge of:

- Occupational health and safety rules and working practices applicable to this position.
- Mixing and matching colors and putty fillers
- Paint appropriate for interior and exterior application
- Use of solvents and thinners
- Proper use and care of tools and equipment, including air-powered, electric-powered, and airless equipment.

Ability to:

- Carry out work assignments with a minimum of supervision.
- Be punctual and maintain a good attendance record.
- Adhere to safe work practices.
- Work closely and cooperatively with other District personnel.
- Read and understand written material related to the position, including MSDS instructions and power equipment instructions.
- Wear appropriate safety protection equipment, including respiratory, ear, eye, hand, and fall protection equipment.

Minimum Qualifications

Education and/or Experience:

- High School diploma or GED equivalent.
- Four years of house painting experience required to include a minimum of two years of sign making and vinyl application experience.
- Two to four years of supervision experience required.
- Experience with sign making software applications (i.e. Flexi Pro, Corel Draw, Adobe Illustrator, Photo shop and Easy Cad II).
- Completion of a Painter Apprenticeship program is desirable.

Required License:

Must possess and maintain a valid California driver's license and satisfactory driving record. No reckless driving and DUI infractions within the last seven years. No more than two moving violations within the last three years. Operates District vehicles on a regular basis.

Physical Requirement:

Work outside in cold and other inclement weather. Work comfortably at considerable heights and on suspended scaffolds. Ability to stand for long periods. Requires maintaining physical condition necessary for standing/walking; sitting; lifting/carrying up to 50 pounds; pushing/pulling; climbing/balancing; bending/twisting; and kneeling/crouching.

This position may have a potential for or actual exposure to lead. Pursuant to OSHA regulations, District employees are not exposed to lead at concentrations greater than 10 micrograms per cubic meter ($\mu\text{g}/\text{m}^3$) of air averaged over an 8-hour period.
