GOLDEN GATE BRIDGE TURNS 88!

The Golden Gate Bridge turned 88 on May 27 — and we're inviting you to celebrate one of the world's most iconic landmarks, whether in person or from home.

Hop on Golden Gate Transit Route 101, 130, or 150 to the Toll Plaza and take a stroll across the Bridge's stunning 1.7-mile span. While you're there, snap a selfie with the 746-foot towers, explore the on-site exhibits, and swing by the Welcome Center.

Can't make it in person? No problem! Visit our website for virtual tours, fun facts, and behind-the-scenes videos on how the Bridge was built and maintained. We even have teacher-friendly resources organized by grade level.

However you celebrate, we'd love to hear your favorite Bridge memory! Were you there for the 75th fireworks? Did you walk across during the 50th? Share your story with us on Instagram @goldengatebridgedistrict.
