The District does not have authority to levy a tax.

ALL INFORMATION IS SUBJECT TO CHANGE

Customer Tips for Riding GGT

Before Arriving at the Bus Stop

- Plan to arrive at the bus stop at least five minutes before scheduled departure time.
- **Schedule times may be impacted by traffic conditions.** Go to goldengate.org/bus for real-time maps.
- Bus pad times are approximate. Due to varying traffic conditions, buses may serve bus pads earlier or later than times shown in schedule.
- For northbound Commute routes, times in Marin & Sonoma counties are approximate and are dependent on traffic.

At the Bus Stop

- When waiting at your stop, stay at least three feet from the curb. Standing near the curb can be dangerous.
- For real-time maps, go to goldengate.org/bus and choose your route.
- **As the bus approaches, signal the driver of the bus you wish to board.**
- Wait for the bus to come to a complete stop before approaching the front door to board.
- Never touch a moving bus. Stay away from the wheels of the bus.
- Do not run after a departing bus. Once the bus has left the curb/stop, drivers are prohibited from opening the doors and boarding passengers.
- Due to limited bus stop access, buses cannot hold for connections in San Francisco.
- Never use your hand, umbrella, briefcase or any object to try to reopen the doors if they are closing. They will not reopen and you could be injured.
- Have your fare, Clipper (card or mobile), or transfer ready before boarding the bus. Be prepared to pay the cash equivalent if Clipper does not work.

On the Bus

- If paying with cash, tell the driver where you are going to be charged the correct fare. Full fare must be paid upon boarding. Fare is based on point of origin and final destination. Marin Transit passes are only accepted on trips that begin and end in Marin County. Transfers are only issued with payment.
- If you have questions, ask them when boarding. Avoid unnecessary conversation with the driver.
- Move quickly to an empty seat and remain seated while the bus is moving. If the bus is full, you may stand, but you should hold on at all times.

- It is not safe to put your hand, arm, head or any part of your body through an open bus window.
- No eating, drinking, smoking, or vaping on board.
- Shoes and shirts must be worn while riding the bus.
- The driver may dim or turn off certain lights to minimize the reflection on the windshield.
- **Use of cellular phones or other electronic equipment is allowed as long as it does not disturb others. Keep it short, keep it down, keep it quiet, keep it off!**
- Use earbuds if you must use audio equipment, but be aware of your neighbors and keep the volume low.
- All GGT buses are equipped with WiFi. Please do not ask bus operators for assistance with WiFi.
- Fold up baby strollers and hold the child in your lap.
- Your belongings must fit in the overhead rack (maximum 29" L x 12" W x 6" H), under a seat (maximum 18" L x 13" W x 7" H), or on your lap. For safety reasons, you must not block open seats or aisles with your personal belongings. Please take all of your belongings, including newspapers, when you exit.
- Use caution when reclining your seat and make sure there is adequate room for the person behind you.
- Do not use perfume, nail polish, or other scented products while on the bus.
- While riding, be prepared. Buses can make sudden stops.

Getting off the Bus

- When the bus gets close to your stop, push the signal button/strip or pull the cord to alert the driver.
- Stay in your seat until the bus comes to a complete stop.
- If using Clipper, be sure to "tag" off as you exit the bus so the correct fare is deducted. Wait for the bus to come to a complete stop before tagging off.
- When you get off the bus, do not cross in front of it.
- Take all belongings with you.
- **If you need to remove a bicycle when you exit, please tell the driver prior to leaving the bus.**

Assault or Battery upon a Bus Operator is a Crime

Violators will be prosecuted to the fullest extent of the law. The penalty for this crime is a fine of \$10,000 and imprisonment of up to 3 years. If you have information about such a crime, please call toll-free **511** (say "Golden Gate Transit," then "operator") or visit goldengate.org/contact.

If your change exceeds \$1, the farebox will issue a “change card” valid for future rides on Golden Gate Transit. **Change cards are non-refundable and are not exchangeable.**

Children four and under ride free (limit of two children per adult). See page 35 for rules about using transfers for round-trip travel. See map at left or on back cover for fare zones.

Tarifas de Autobuses

Las tarifas están determinadas por zonas (ver las Tarifas por Zona/Mapa de Servicios por Área en la página 6 o en la cubierta posterior del Mapa de Sistema) y varían según el largo del trayecto y el número de zonas transcurridas. Por lo tanto, por favor avise al conductor de su destino final al momento de abordar y tenga el monto exacto de la tarifa a mano.

Para determinar su tarifa, use la Tabla de Tarifas en la página 7. Primero seleccione la Tabla de Tarifa apropiada (por ejemplo: Adulto, Joven/Tercera Edad/Persona con incapacidades/Clipper START); luego encuentre la Zona de Tarifa donde su viaje comienza y termina. Por ejemplo, si usted es un adulto y se encuentra en la Zona 1 y desea viajar a la Zona 4, use como referencia la tabla de tarifa de “Adult” y busque la Zona número “1” en la fila superior, luego siga esa columna hacia abajo hasta que esté en la fila marcada Zona “4” a la izquierda. Su tarifa en este caso sería \$10.00.

Tarifas con Descuentos

Los adultos reciben un 20% de descuento con la compra de Clipper (tarjeta de descuento o aplicación móvil). Los Descuentos no pueden ser utilizadas para pases grupales o para pagos de estudiantes, personas de la tercera edad o tarifas de descuento para personas con incapacidades descrito más adelante.

Las **Personas de la Tercera Edad, de 65 años o más**, que tengan Tarjeta de Descuento Regional de Conexión de Transito (RTC), tarjeta de identificación para personas de la tercera edad de otro servicio de tránsito de California o tarjeta de Medicare, reciben un 50% de descuento de la tarifa en efectivo de adulto, al pagar en efectivo.

Las **Personas con incapacidades** que tengan Tarjeta de Pancarta de Identificación de Persona con incapacidades del Departamento de Vehículos Motorizados, Tarjeta de Descuento Regional de Conexión de Transito (RTC), tarjeta de Medicare o tarjeta de identificación para personas con incapacidades de otro servicio de tránsito, reciben 50% de descuento de la tarifa en efectivo de adultos si el pago es en efectivo.

Los **jóvenes entre 5-18 años** de edad reciben 50% de descuento de la tarifa en efectivo de adultos. El conductor puede solicitar evidencia de edad.

Los **Niños** de 4 años de edad y menores, viajan gratuitamente cuando son acompañados por un adulto (límite de dos niños por adulto).

Clipper START brinda descuentos en las tarifas de transporte para viajes sencillos destinados a las personas de bajos ingresos. Los participantes elegibles reciben 50% de descuento de la tarifa en efectivo de adultos para Golden Gate Transit y Golden Gate Ferry. Golden Gate Bridge District

The Golden Gate Bridge and Highway District (District) was formed in 1928 to construct the Golden Gate Bridge. The District includes San Francisco, Marin, Sonoma, Del Norte, most of Napa, and part of Mendocino counties. The Bridge was built with funding from \$35 million of general obligation bonds, approved by a vote of the District counties’ residents and backed by the value of their property.

Opened to traffic on May 28, 1937, the Golden Gate Bridge became a vital artery between San Francisco and the counties to the north. Traffic grew by a million vehicles a year.

In 1969, the California State Legislature authorized the District to develop a mass transportation system between San Francisco and the counties in the Golden Gate corridor to ease traffic congestion and accommodate future travel growth. At this time “Transportation” was added to the District name. Golden Gate Transit is a direct result of that effort.

To keep fares competitive with the cost of auto travel, the bus and ferry transit system is subsidized by Golden Gate Bridge tolls and State Transportation Development Act funds. The District has no taxing authority.

The District is an Equal Opportunity Employer.

District Board of Directors

Subject to change.

San Francisco County (two vacant seats): Liam Devlin, Joel Engardio, Greg Hardeman, Sabrina Hernández, Bert Hill (1st Vice President), Amber Parrish, Danny Sauter

Sonoma County: Gerard Giudice, David A. Rabbitt (2nd Vice President), Chris Snyder

Del Norte County: Gerald D. Cochran (Board President)

Mendocino County: James Mastin

Golden Gate’s Non-Discrimination Policy

The District is committed to ensuring that no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under its program of transit services delivery. Any person who believes he or she has been discriminated against may file a Title VI complaint.

The District does not discriminate against individuals with disabilities in the provision of transportation services and is committed to ensuring that no person, solely by reason of his or her disability, is excluded from participation in, is denied benefits of, or is subjected to discrimination under any District programs or activities.

For more information or to file a complaint, call **511** and say “Golden Gate Transit,” contact Customer Relations directly at **415/455-2000**, or visit **goldengate.org/contact** to obtain a Title VI Complaint Form or Reasonable Modification Request/Complaint Form.

Reading GGT Schedules

Step 1: Look at the fold-out Bus & Ferry System Map inside the back cover to determine which bus routes serve your travel needs.

Step 2: GGT has nearly 300 bus stops. Not all stops are shown in the timetables, but they are all shown on the map. Use the fold-out map on the back cover to identify the stops to use on your route. Consult the appropriate timetable in this Transit Guide to find the schedule for your route number and bus stop.

Step 3: Learn how to use timetables with the example below.

Days of service and route type (Commute, Regional, etc.).

Not all routes operate daily.

Timetables for different directions and days of travel for a given route may be on different pages

Route number.

Final destination and direction of travel.

Cities and neighborhoods served.

Major stops served. If your stop is not listed, consult the fold-out map at the back of this guide to determine which major stops your stop falls between, and you can estimate the approximate departure time for your stop.

Arrival/departure times at specific stops. Unless noted, times listed are departure times.

Light type indicates am times.

Bold type indicates pm times.

Dashes indicate that a given stop is not served.

Rider Alerts. Check rider alerts for important information regarding the route.

For trip-planning assistance, call toll-free 511 and say “Golden Gate Transit,” then “operator.”

Service Impacts During Special Events

Special events (festivals, parades, etc.) may impact bus and ferry service. For information on service impacts, call toll-free **511** (say "Golden Gate Transit" then "operator") or **711** (TDD), or visit goldengate.org/alertsignup to register to receive alerts for your route.

Real-Time GGT Information

For real-time maps, go to goldengate.org/bus and choose your route. For additional real-time resources, visit goldengate.org/bus/real-time-arrivals.

Types of Service - Ferry

GGF also provides special service from Larkspur to Giants home games, as well as some special events at Oracle Park. Call toll-free **511** or **711** (TDD), or visit goldengate.org for details.

Types of Service - GGT Bus

GGT operates regional bus service between San Francisco, Marin, Sonoma, and Contra Costa counties. The District sets most service levels and fares. Routes are divided into Regional and Commute services:

Regional service operates daily and includes Routes 101, 130, 150, 580, and 580X (weekdays only).

Commute service operates primarily during weekday peak periods and includes Routes 114, 132, 154, 164, 172, and 172X.

Capacity on Buses

Bus capacity is limited to one person per seat including those seats in the wheelchair securement area, plus 10 standing passengers.

Policy for High-Capacity Buses

Commute trips with an ongoing average of more than 35 passengers are given priority assignment of a high-capacity bus (i.e., 45-foot MCI coach). Trips with smaller averages may receive an MCI bus when available.

Capacity on Ferries

Ferry capacity ranges from 400 to 750 passengers, depending on vessel.

Priority Seating on Buses and Ferries

Certain seats on buses and ferries are designated as priority seating for passengers with disabilities and seniors. Bus drivers or ferry deckhands will request a non-disabled passenger in priority seating to move if a passenger with disabilities or a senior boards. **Do not** put luggage or personal articles in the wheelchair securement areas, in the aisles, or on seats.

Lost & Found

Golden Gate Bus and Ferry are not responsible for personal property left in passenger waiting areas, other passenger facilities, or on buses and ferries. Items must not be left unattended in these locations. **Unattended items are subject to immediate disposal.** Property that has not been disposed of and for which retrieval has been arranged will be held for 14 days.

General Restrictions for Buses and Ferries

Operation of radios, portable media players, or similar devices is NOT allowed on buses or ferries unless earbuds are used and the volume is kept low so other passengers are not disturbed.

All **service animals** (and those being trained) must be leashed or harnessed (except when performing tasks where tethering interferes with the animals' abilities to perform), must remain under the control of its owner or trainer, and may not present a direct threat to the safety of other passengers. Other **animals or pets** are permitted aboard buses and ferries provided they are in, and remain in, approved hand-carried containers.

Electric Personal Assisted Mobility Devices (including Segways) are not allowed on buses unless used by a person with disabilities as a mobility aid. EPAMDs are allowed aboard all GGF vessels. When boarding/disembarking, EPAMDs must be in the "off" mode and must be secured safely during transport.

Electric scooters are allowed on buses and ferries, but the scooter must be powered off and the handle retracted for easy storage.

Cell phones: If using a cell phone on a bus or ferry, do not disturb the driver or other passengers. You may be asked to stop using your cell phone. On ferries, do not use cell phones in cell-phone free areas. Keep calls short and your voice low. Use the silent/vibrate ringer option. Minimize incoming calls when possible.

Keep it short, keep it down, keep it quiet, keep it off!

General Restrictions for Buses Only

Smoking (including e-cigarettes), eating, and drinking are NOT permitted aboard buses. California State Law prohibits open alcoholic beverages aboard public transit buses.

Luggage and personal articles must fit in the overhead racks (maximum 29" L x 12" W x 6" H), under a seat (maximum 18" L x 13" W x 7" H), or safely on your lap, otherwise you may not be allowed to board. **Do not** put luggage or personal articles in the aisles, in the wheelchair securement areas, or on seats. Baby strollers must be folded and children must be held on your lap. **Passengers are responsible for their own belongings.** **Unattended items are subject to immediate disposal.**

Bikes and Transit

Visit our website (goldengate.org/bikes-ggt) or click here for rack rules/limitations, safety tips, and videos on bike loading/unloading:

Customers use bike racks at their own risk. GGT assumes no responsibility for bikes that are lost, stolen, damaged, or left on racks. All Golden Gate buses and ferries accept bikes on a first-come, first-served basis.

Bikes and Golden Gate Ferry

Electric bikes are welcome aboard GGF vessels with the understanding that customers may need to carry their bike up or down a flight of stairs to embark/disembark. Crew members will not be able to help carry bikes. Gas powered, Bay Wheels/ Lyft, Today/Richmond, and Redwood Bikeshare bikes are NOT accepted on GGF. Bike racks are available at the San Francisco Ferry Terminal. Larkspur Ferry Terminal provides secure bicycle storage within the paid waiting area. Bikes must be walked on and off the ferry. No riding inside the terminal area.

Bikes and Golden Gate Transit Buses

All GGT buses are equipped with bike racks: either a front-mounted rack or an interior underbelly rack. Due to safety and/ or operational reasons, underbelly bike racks are not accessible at some stops within San Francisco, which are identified by a sticker at the stop. A complete list of these stops is posted at goldengate.org/bikes-ggt.

Electric bikes (e-bikes) are only allowed on GGT buses with **front-mounted bike racks**. E-bike batteries must remain on the bike and can NOT be brought on board the bus. E-bikes cannot weigh more than 55 lbs. GGT cannot guarantee that front-mounted bike racks will be available to transport e-bikes. To find out if a bus with a front-mounted rack will serve your stop, please contact Customer Service at **415/455-2000**. Gas-powered, Bay Wheels/ Lyft, Today/Richmond, and Redwood Bikeshare bikes are NOT accepted on GGT.

Single-rider, two-wheel bikes with wheels 20" or larger, including road, hybrid, mountain, and junior/pre-teen bikes, can fit onto the racks. Bikes with fenders or tires wider than 3" will not fit on front-mounted bike racks. Bike handlebars cannot extend more than 42" from the front of the bus. Bikes with front-mounted baskets, horizontal racks, or front fenders will not fit on either a front-mounted bike rack or an underbelly rack. E-bikes and bikes with rear-mounted baskets, racks, or

child seats cannot be accommodated in the underbelly racks, but may fit on the front-loading bike racks as long as the object does not interfere with the bus operator's view. The driver has discretion to decide whether or not he/she can safely see around any mounted object, and may deny transporting a bike.

Accessible Services

Overview

Golden Gate Transit (GGT) and Golden Gate Ferry (GGF) offer a variety of accessible services. For fares for people with disabilities, see page 7, and for information on Clipper, see page 35.

Golden Gate Transit Accessible Services

All GGT bus service is operated with lift-equipped buses that have a “kneeling feature” for easier boarding. Not all GGT bus stops are accessible to wheelchairs. If you require special assistance, you are encouraged to travel with a companion. GGT provides training in boarding, exiting, and wheelchair securement procedures. For a training appointment, call **415/257-4463** at least two days in advance.

To board the bus with a mobility device, please wait at the front area of the bus stop so the driver knows you would like to board. Before boarding, please have your fare and identification ready. If you cannot reach the farebox or have difficulty handling money, we recommend that you get an RTC Clipper card to pay your fare (see page 35.) Clipper card readers are located at the front of the bus. When you board, tell the driver your destination. **While on the lift platform, wheelchair brakes should always be locked and chair power turned off.** If the operator is unable to secure your wheelchair, you have the option of waiting for the next bus. If your wheelchair is difficult to secure, call **415/455-2000** to request free supplementary straps to attach to your chair. Anyone may transfer from a wheelchair to a passenger seat. This is recommended for three-wheeled mobility cart (“mobie”) users as these devices are not designed for use as seats in vehicles.

The Department of Transportation (DOT) Americans with Disabilities Act (ADA) regulations in 49 CFR (Code of Federal Regulations) sections 37.167(b) and (c) require that stop announcements must be made on fixed route systems. Therefore, announcements will be made at transfer points with other fixed routes, major intersections, destination points, and intervals along a route to permit individuals with visual impairments or other disabilities to be oriented to their location.

Golden Gate Ferry Accessible Services

All GGF vessels are accessible to passengers using wheelchairs and all have accessible restrooms. When traveling between San Francisco and Sausalito, Tiburon, or Angel Island, wheelchair users do not need to use the wheelchair lift, as inter-deck movement is not required to load and unload. However, when traveling between the following locations, wheelchair customers must use the wheelchair lift to load/unload on separate decks. **Wheelchair lifts may only be operated by crew members.**

Larkspur to Oracle Park: Enter through main ramp and take the lift down one level to exit at Oracle Park.

Oracle Park to Larkspur: Enter on Main Deck and take the lift up one level to exit in Larkspur. The lift can accommodate a wheelchair up to 30" wide by 41" long and a total weight not exceeding 495 lbs.

If you have special mobility needs or requests, please email us at contact@goldengate.org at least two business days before game/event day.

Paratransit Services

Regional paratransit service is provided in compliance with the ADA of 1990 for ADA eligible passengers. This service is operated by Transdev Services as “Marin Access” and is designed to complement GGT’s regional, non-commute bus service. This service operates between Marin, Contra Costa, San Francisco, and Sonoma counties within three-quarters of a mile of GGT’s Regional bus routes. Transdev Services (Marin Access) also provides local paratransit service within Marin County on behalf of Marin Transit. Fares are charged and reservations are required. For more information or to request a copy of Paratransit Rider’s Guide, contact Marin Access (**415/454-0902** or **711/TDD**) or GGT (**415/455-2000**), or visit goldengate.org/accessibility. Contact Marin Access Mobility Management Center for transportation information and referral in Marin (**415/454-0902**).

Clipper®

Clipper is a convenient and secure way to pay your fare. Electronic cash (“e-cash”) is stored on a smart card or mobile wallet that a customer touches (“tags”) to a reader when getting on and off the bus or ferry. Note that failure to tag off a bus results in the highest fare (from point of origin) being deducted from the account. Clipper customers automatically receive the discounted fare. Transfers are automatically tracked. Special cards are available for youth, seniors, persons with disabilities, and low-income adults, and those cards can be transferred to your mobile wallet. E-cash never expires and if the card is registered, your balance is protected if the card is lost or stolen. One card per passenger per trip (not for group travel). To obtain a card or to learn how to add Clipper to your mobile wallet, visit clippercard.com or call 877/878-8883. Use the Clipper app to manage your account from your phone, view your history, and plan your trip. Download on the App Store or on Google Play.

Transit Benefit Programs

Many Bay Area employers offer employees monthly incentives toward the purchase of bus and ferry fare media (Clipper). Employers can deduct funds from an employee’s pre-tax salary and can also claim a business expense deduction. Purchase restrictions apply. Talk to your employer for information on commuter benefits, such as Commuter Check.

Transferring from Bus to Ferry

Transfers are automatically issued to Clipper users only; there are no transfers for cash-paying customers. “Tag” (touch) Clipper card or smart phone to the reader when debarking the bus. Tag the card or phone again when entering the ferry gate; the appropriate discounted fare will be deducted.

Transferring from Ferry to Bus

Transfers are automatically issued to Clipper users only; there are no transfers for cash-paying customers. “Tag” (touch) card or smart phone to the reader on the bus. Your transfer will be applied and the appropriate amount will be subtracted from the card when you tag off at the end of your trip.

Transfers Within GGT System

Passengers may transfer between GGT buses or between GGT buses and Golden Gate Ferries with these restrictions:

1. Travel must be within the date-time period indicated on the transfer.
2. Transfers are issued by farebox only at time fare is paid. Advise driver of your destination and intention to transfer to another bus or ferry when boarding. Transfers are based on fare and ultimate destination.
3. Transfers can be used to make a round trip within a single county, but cannot be used to make a round trip between counties.
4. Transfers are valid three hours from time of issuance. Transfers can be used up to two times.
5. A transfer can be used only by the person to whom it is issued.

Transfers are automatically tracked on Clipper.
